

What we do

Goodwill Industries of Wayne & Holmes Counties is committed to helping you reach your full potential through employment, education, and training opportunities. Through intensive, one-on-one case management, we help you:

EXPLORE careers and education requirements

ACCESS training and employment opportunities

FIND and keep work while setting yourself up for future success!

Who we help

Any Wayne or Holmes county resident motivated to accomplish one of the following goals

- Advancing in current career
- Attaining and sustaining full time work
- Pursuing advanced education while gaining/maintaining full time work

1

One-on-one case management

From the time you join our program to the moment you are placed in a job, our case managers are by your side to offer assistance. We help you determine the job goals that are right for you, which may involve taking career and skills assessments to identify your capabilities and interests

2

Life and Work Skills Training

Through online and classroom sessions, you will learn skills that reflect both your needs and the current real-world requirements of potential employers

3

Job Placement and Retention

Your case manager will help you through your job search, starting a new job and beyond. We want to ensure that you thrive in your new job and have the skills needed to keep and advance your position

You can expect:

- Help creating a career plan that works for you
- Guidance through education needed to attain your goals such as earning a GED or high school diploma, or applying for college or certificate-based programs
- Access to additional training focused on life and work skills
- Referrals for other services that apply to your situation (i.e. mental health, family services)
- Paid incentives or work experience- based on program

*Some restrictions apply. Not available for all participants
