POLICYHOLDER PROVISIONS

RATE GUARANTEE

A change in premium rate will not take effect before the Rate Guarantee Date except for reasons which affect the risk assumed, including those reasons shown below:

1. a change occurs in this plan design; or
2. a division, subsidiary, or affiliated company is added or deleted; or
3. the number of insured employees or members changes by 25% or more; or
4. a new law or a change in any existing law is enacted which applies to this plan; or
5. less than 25% of those eligible for coverage are participating.

We will notify the policyholder in writing at least 30 days before a premium rate is changed. A change may take effect on an earlier date when both we and the policyholder agree in writing.

PREMIUM INCREASES OR DECREASES

Premium increases or decreases may take effect any time subject to the RATE GUARANTEE provision. If they take effect during a policy month, they are adjusted and due on the next premium due date following the change. Changes will not be pro-rated daily.

If premiums are paid on other than a monthly basis, premiums for increases and decreases will result in a monthly pro-rated adjustment on the next premium due date.

INFORMATION REQUIRED FROM THE POLICYHOLDER

The policyholder must provide us with the following on a regular basis:

1. information about employees or members:
 - a. who are eligible to become insured; and
 - b. who are insured; and
 - c. whose coverage changes; and
 - d. whose coverage ends; and
2. any information that may be required to manage a claim; and
3. any other information that may be reasonably required.

Policyholder records that have a bearing, in our opinion, on this policy will be available for review by us at any reasonable time.

RENEWABILITY

This policy is conditionally renewable by us or the policyholder.

We may cancel or offer to modify this policy, with at least 31 days notice to the policyholder, if:

1. less than 25% of those eligible for coverage are participating; or
2. the policyholder does not promptly provide us with information that is reasonably required; or
3. the policyholder fails to perform any of its obligations that relate to this policy; or
4. fewer than 5 employees or members are insured; or
5. premiums are not received within the 31 day grace period.

If the premiums are not received during the grace period, this policy will terminate automatically at the end of the grace period. This policy provides no coverage during the grace period unless premiums are paid in full prior to the end of the grace period. All premiums due must be paid to us for the full period this policy is in force.

The policyholder may also cancel this policy by notice delivered to us at least 31 days prior to the cancellation date. When both the policyholder and we agree, this policy can be canceled on an earlier date. If canceled, coverage will end at 12:00 midnight on the last day of coverage.

If this policy is canceled, the cancellation will not affect a payable claim incurred prior to cancellation.

We may change premiums as stated in the Rate Guarantee provision and Premium Increases or Decreases provision.

GENERAL PROVISIONS

EFFECTIVE DATE OF COVERAGE

Coverage for each eligible employee or member will be effective at 12:01 a.m. on the effective date shown on page 3 of the certificate of insurance issued to that employee or member provided he or she is actively employed on that date.

If the employee or member is not actively employed on that date due to temporary layoff, leave of absence or Family and Medical Leave of Absence, coverage begins on the date he or she returns to active employment. This applies to initial coverage, as well as any increase in coverage that occurs after the employee's or member's initial coverage is effective.

For any change in coverage, the change is effective on the date we receive such request for change.

Any decrease in coverage will take effect on the first day of the calendar month that next follows the date the employee or member applies for the decrease, but will not affect a payable claim that occurs prior to the effective date of the decrease.

CERTIFICATES OF INSURANCE

We will furnish to the policyholder a certificate of insurance for delivery to each insured employee or member. The certificate will provide a description of the insurance provided by this policy and will state:

1. the essential features of the insurance coverage; and
2. to whom benefits are payable.

WHEN AN ELIGIBLE EMPLOYEE OR MEMBER CAN ENROLL, CHANGE OR DISCONTINUE COVERAGE

1. The employee or member may apply for coverage during:
 - a. the initial enrollment period; or
 - b. at any time.
2. The insured employee or member may increase coverage at any time.
3. The insured employee or member may decrease coverage at any time.
4. The insured employee or member may discontinue coverage at any time.

(This space intentionally left blank)

GENERAL PROVISIONS (Continued)

ELIGIBILITY OF DEPENDENTS

Eligible dependents are the insured employee's or member's:

1. legal spouse or domestic partner; and
2. children and domestic partner's children.

A child is a person under age 26 who is:

1. the insured employee's or member's or his or her domestic partner's natural or adopted son or daughter, stepson or stepdaughter; or
2. a foster child who is placed with the insured employee or member or his or her domestic partner by an authorized placement agency or by judgment, decree or other order of any court of competent jurisdiction.

A child born to the insured employee or member or his or her spouse or domestic partner will be eligible for coverage. This coverage begins at the moment of birth of such child and benefits will be the same as provided for any other child insured under this policy. No additional premium will be required for newborns added if the insured employee or member already has children or family coverage in force at the time the newborn is added.

If the insured employee or member does not already have children or family coverage in force, newborn children are automatically covered from the moment of birth for a period of 31 days. If the insured employee or member desires uninterrupted coverage for a newborn child, he or she must notify the policyholder within 31 days of that child's birth. Upon notice to us, we will change the coverage to include the additional child and provide notification of the additional premium due. If the insured employee or member does not notify the policyholder within 31 days of the birth of the child, the temporary automatic coverage ends.

If the insured employee or member marries and desires coverage for his or her spouse, he or she must notify the policyholder of the marriage within 31 days of the marriage. Upon notice to us, we will change the coverage to include the insured employee's or member's spouse and provide notification of the additional premium due.

If the insured employee or member enters into a domestic partnership and desires coverage for his or her domestic partner, he or she must notify the policyholder of the domestic partnership within 31 days of the date the domestic partnership was formed. Upon notice to us, we will change the coverage to include the insured employee's or member's domestic partner and provide notification of the additional premium due.

An adopted child or child pending adoption will be covered as follows:

1. Benefits for adopted newborn children will be the same as provided for any other child covered under the policy.
2. For adopted children other than newborns, coverage begins from the moment of placement in the residence and benefits will be the same as provided for any other child covered under the policy.

Coverage will be provided as long as the insured employee or member has custody of the child pursuant to decree of the court and required premiums are paid.

If the insured employee or member does not already have children or family coverage in force, adopted children or children pending adoption are automatically covered as described above for a period of 31 days. If the insured employee or member desires uninterrupted coverage for an adopted child or child pending adoption, he or she must notify the policyholder within 31 days of the moment of placement. Upon notice to us, we will change the coverage to include the additional adopted child or child pending adoption and provide notification of the additional premium due.

If the insured employee or member already has children or family coverage in force, no additional premium will be required for an adopted child or foster child at the time the adopted child or foster child is added.

GENERAL PROVISIONS (Continued)

SPECIAL ENROLLMENT FOR ADDITION OF A CHILD UNDER COURT ORDER

This special enrollment applies if the employee or member is under court order to provide health insurance coverage for a child. A court order is one that is issued by a court of any state, and creates or recognizes the right of a child to receive benefits under a parent's health insurance coverage.

1. If the employee or member is not insured under this group coverage, he or she may enroll himself or herself and his or her family, without regard to enrollment period restrictions, within 20 business days after receipt of a court order.
2. If the employee or member is insured under this group coverage, enrollment of the child may be made by the insured employee or member or the non-insuring parent of the child, within 20 business days after receipt of a court order.
3. The child's insurance may not be terminated unless we receive written evidence that (a) the order is no longer in effect; (b) the child has been or will be enrolled under other accident insurance coverage that will take effect on or before the effective date of the termination; (c) the policyholder has eliminated family members' coverage for all of its employees or members; or (d) the insured employee's or member's employment is terminated.
4. We will not deny coverage of any such child because the child: (a) was born out of wedlock; (b) is not claimed as a dependent on the insured employee's or member's federal income tax return; or (c) does not reside with the insured employee or member.
5. We will provide to the non-insuring parent claims forms, and any other information needed for the child to obtain benefits under this group coverage.
6. We will process claims and make appropriate payment to the non-insuring parent or to any person or institution who has charged the insured employee or member for services or supplies, upon which the benefit is based, when covered losses are incurred by the child.

(This space intentionally left blank)

GENERAL PROVISIONS (Continued)

TERMINATION OF COVERAGE

The insured employee's or member's coverage under this policy ends on the earliest of:

1. the date this policy is canceled; or
2. the last day of the period for which any required premium payments were made; or
3. the last day the insured employee or member is actively employed with the employer or a member in good standing in the labor union, association or other entity that is the policyholder, except as provided under the TEMPORARY LAYOFF, LEAVE OF ABSENCE OR FAMILY AND MEDICAL LEAVE OF ABSENCE provision; or
4. the date the insured employee or member is no longer in an eligible class; or
5. the date the insured employee's or member's class is no longer eligible; or
6. our discovery of fraud or material misrepresentation in the presentation of a claim under this policy.

We will provide coverage for a payable claim that occurs while a covered person is covered under this policy.

If the insured employee's or member's spouse is a covered person, the spouse's coverage ends upon valid decree of divorce or the insured employee's or member's death.

If the insured employee's or member's domestic partner is a covered person, the domestic partner's coverage ends upon termination of the domestic partnership or the insured employee's or member's death.

Coverage for a child will end upon the insured employee's or member's death, or on the issue day of the month that follows when the child: (a) reaches age 26; or (b) otherwise does not meet the requirements of an eligible dependent.

Coverage does not end for an incapacitated dependent child who:

1. is incapable of self-sustaining employment by reason of mental or physical incapacity; and
2. became so incapacitated prior to the attainment of the limiting age of eligibility under this policy; and
3. is chiefly dependent upon the insured employee or member for support and maintenance.

Coverage for an incapacitated dependent child continues as long as this policy remains in force and the child remains in such condition. Proof of the incapacity and dependency of the child must be furnished, in writing, to us when the child reaches the limiting age of eligibility. Thereafter, such proof must be furnished as often as may be required, but no more often than annually after the child's attainment of the limiting age for eligibility.

If we accept a premium for coverage extending beyond the date, age or event specified for termination as to a covered person, such premium will be refunded, coverage will terminate and claims will not be paid. There may be no refund due if the insured employee or member has children or family coverage in force and there are other eligible dependents still insured under this policy.

Coverage may be eligible for the continuation as outlined in the CONTINUATION OF INSURANCE COVERAGE provision.

TEMPORARY LAYOFF, LEAVE OF ABSENCE OR FAMILY AND MEDICAL LEAVE OF ABSENCE

If the insured employee or member ceases active employment or membership in the union or association because of a temporary layoff or leave of absence while coverage is in force, we will continue the coverage in accordance with the personnel practices of the policyholder, if premium payments continue and the policyholder approved the leave in writing. Coverage will be continued for 3 months following the date the insured employee or member ceased active employment or membership in the union or association.

If the insured employee's or member's coverage ends while on a Family and Medical Leave of Absence, the coverage will be reinstated when he or she returns to active status.

DISCRETIONARY AUTHORITY, IF GOVERNED BY ERISA

The following applies only when the administration of the policy is governed by the Employee Retirement Income Security Act (ERISA), 29 U.S.C. 1001 et seq.:

We have the discretion and authority to construe disputed or seemingly inconsistent provisions of the policy and to make all decisions regarding eligibility and/or entitlement to coverage or benefits. Whenever we make reasonable determinations which are not arbitrary or capricious in the administration of the policy, such determinations shall be final and conclusive.

GENERAL PROVISIONS (Continued)

LEGAL ACTION

No legal action may be brought to obtain benefits under this policy:

1. for at least 60 days after proof of loss has been furnished; or
2. after the expiration of 3 years from the time proof of loss is required to have been furnished.

INCONTESTABILITY

After 2 years from the effective date of this policy, no misstatement of the policyholder, made in writing, can be used to void this policy.

CLERICAL ERROR

Clerical error on the part of the policyholder or us will not invalidate insurance otherwise in force nor continue insurance otherwise terminated. Upon discovery of any error, an adjustment will be made in the premiums and/or benefits available. Complete proof must be supplied by the policyholder documenting any clerical errors.

AGENCY

For purposes of this policy, the policyholder acts on its own behalf or as the insured employee's or member's agent. Under no circumstances will the policyholder be deemed the agent of American Heritage Life Insurance Company.

ENTIRE CONTRACT

The contract consists of the following items:

1. the group policy; and
2. any amendments and endorsements; and
3. the applications and other written statements of the policyholder; and
4. any individual applications, enrollments, or other statements made by a covered person.

Any statements made by the policyholder or by a covered person, in the absence of fraud, are representations and not warranties. Only written statements signed by the policyholder or a covered person will be used in defense of a claim. A copy of any written statement, if applicable, will be furnished to the policyholder or the covered person or his or her personal representative, if any, if such written statement will be used in defense of a claim.

(This space intentionally left blank)

CONTINUATION OF INSURANCE COVERAGE

This section provides for automatic Continuation of Insurance Coverage, hereafter referred to as Continuation Coverage. It applies if a covered person suffers the loss of this group accident coverage due to one of the following events:

1. Termination of the insured employee's or member's employment; or of an insured employee's or member's eligibility due to reduction in his or her hours; or the date such insured employee or member is no longer in an eligible class; or the date such insured employee's or member's class is no longer eligible. Insurance may be continued for any covered person.
2. The death of an insured employee or member. Insurance may be continued for any covered person.
3. Divorce or legal separation. Insurance may be continued for any covered person whose insurance would otherwise end.
4. The insured employee or member becoming eligible for Medicare. Insurance may be continued for any covered person who is not entitled to Medicare.
5. A child ceasing to be an eligible dependent as defined in the group policy. Insurance may continue for that child.
6. The policyholder filing a Chapter 11 Bankruptcy petition. Insurance may be continued for any insured retiree and his or her covered dependents. But this only applies if the insurance ends or is substantially reduced within 1 year before or after the filing of the bankruptcy.
7. Termination of the group policy. (Benefits will be determined as if the group policy had remained in full force and effect.)
8. Strike, layoff, leave of absence for personal reasons (not Family or Medical Leave Act (FMLA)). Insurance may be continued for any covered person.
9. Military Service. The insured employee's or member's leave of absence due to military service. Insurance may be continued for any covered person, except for the person who is in active military service.

Continuation Coverage is not available for any person if coverage under the group policy terminated due to his or her failure to make required premium payments.

Continuation Coverage is not available to any person who is on FMLA. Continuation Coverage is also not available if a person fails to pay premium while on FMLA.

To be eligible for Continuation Coverage, a person must be insured under the group policy on the day before the event that caused loss of coverage. In the case of bankruptcy, the person must also be: (a) an employee or member who retired on or before the date insurance ends or is substantially reduced; or (b) a dependent of the retiree on the day before the bankruptcy.

COVERAGE CONTINUED

A person will not be denied Continuation Coverage solely because he or she is covered under another group accident plan like this one, or eligible for Medicare on the date of the event that caused loss of coverage.

The Continuation Coverage may include any eligible dependents who were covered under the group policy. The coverage being continued is subject to all terms and provisions of the group policy that do not conflict with this section. The coverage will be the same as that provided under the group policy for other persons in the same insurance class in which such person would have been if the loss of coverage had not occurred. The coverage will be subject to any changes to the group policy affecting the benefits of such class. The coverage will be effective on the day after the insurance under the group policy terminates.

NOTIFICATION AND PAYMENT REQUIREMENTS

The insured employee or member or other qualifying dependents have the responsibility to inform the insurer of: (a) divorce; (b) legal separation; or (c) a child losing eligibility under the policy. This notice must be made within 60 days of these events. Failure to provide this notification within 60 days will result in the loss of the right to continue the insurance.

The policyholder has the responsibility of notifying the insurer of: (a) an insured's death, termination of employment, or reduction in hours; or (b) the policyholder's bankruptcy. This notice must be made within 30 days of the event.

The insurer will notify the qualifying person of the right to continue within 14 days of the notice described above.

The qualifying person will be required to pay a premium for the Continuation Coverage to the insurer.

CONTINUATION OF INSURANCE COVERAGE (Continued)

PREMIUMS

Premiums are due and payable in advance to us at our home office. Premium due dates are the first day of each calendar month. The premium rate for the first 36 months of Continuation Coverage will not exceed 102% of the rate in effect under the group policy covering a similarly situated class of employees or members who have not elected Continuation Coverage. After the first 36 months, the premium rate may change for the class of persons covered under Continuation Coverage. Notice will be given at least 31 days before any change is to take effect.

GRACE PERIOD

The grace period, as defined, will apply to each certificate holder of Continuation Coverage as if such insured is the policyholder.

TERMINATION OF INSURANCE

Insurance under Continuation Coverage will automatically end on the earliest of the following dates:

1. The date the person again becomes eligible for insurance under the group policy.
2. The last day for which premiums have been paid, if the insured fails to pay premiums when due, subject to the grace period.
3. With respect to insurance for dependents:
 - a. the date the insured employee's or member's insurance terminates; or
 - b. the date the dependent ceases to be an eligible dependent under the group policy.

A dependent child whose Continuation Coverage terminates when he or she reaches the age limit may apply for Continuation Coverage in his or her own name, if he or she is otherwise eligible.

(This space intentionally left blank)

2. any act of war whether or not declared, participation in a riot, insurrection or rebellion; or
3. suicide, or any attempt at suicide, whether sane or insane; or
4. intentionally self-inflicted injury or action; or
5. any bacterial infection (except pyogenic infections which shall occur with and through an accidental cut or wound); or

NOTICE OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

EFFECTIVE APRIL 14, 2003

We are required by the privacy regulations issued under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") to maintain the privacy of our Plan's customers' Protected Health Information, to provide those customers with notice of our legal duties and privacy practices with respect to Protected Health Information, and to send notification to affected customers if there is a breach of unsecured Protected Health Information. If your state provides privacy protections that are more stringent than those provided by HIPAA, we will maintain your Protected Health Information in accordance with the more stringent state standard.

This Notice applies to "Protected Health Information" associated with "Health Plans" issued by American Heritage Life Insurance Company.

This Notice describes how we may use and disclose Protected Health Information to perform claims handling, payment, general insurance operations, and for other purposes that are permitted or required by law. Use or disclosure of your Protected Health Information for the purposes described in this Notice may be made in writing, orally, or by electronic means.

We are required to abide by the terms of this Notice. However, we may change the terms of this Notice at any time. If we change this Notice, we may make the new notice terms effective for all of your Protected Health Information that we maintain, including any information we created or received prior to issuing the new notice. If we make a material revision to our Privacy Notice, copies will be sent to you if you are then currently insured under our Plan.

Protected Health Information means information about you that is created or received by us and during the administration of coverage under the Plan, which identifies you or for which there is a reasonable basis to believe the information can be used to identify you and that relates to:

- 1) the past, present or future physical or mental health condition of the individual; or
- 2) the provision of health care to the individual; or
- 3) the past, present or future payment for the provision of health care to the individual.

Uses and Disclosures of Protected Health Information With Your Written Authorization

Except as described in the next section of this Notice, we will not use or disclose your Protected Health Information for any purpose unless you have signed a form authorizing the use or disclosure. For example, most uses and disclosures of psychotherapy notes, uses and disclosures of Protected Health Information for marketing purposes, and disclosures that constitute a sale of Protected Health Information will be made only with your authorization. You have the right to revoke that authorization in writing at any

time, except to the extent that we have already taken action in reliance on the authorization; or the authorization was obtained as a condition of obtaining coverage, to the extent that other law allows the insurer to contest a claim under the policy or the policy itself.

Uses and Disclosures of Protected Health Information Without Your Written Authorization

For Payment. We may make use of and disclose your Protected Health Information without your written authorization as may be necessary for payment purposes. For example, we may use information regarding your medical procedures and treatment to process and pay claims or certify these services are covered under your Plan.

Plan administrative operations include our usual business activities, examples of which are management, licensing, peer review, quality improvement and assurance, enrollment, underwriting, reinsurance, compliance, auditing, rating, claims handling, complaint handling and other functions related to your Plan. We are prohibited from using or disclosing genetic information for underwriting purposes.

To Individuals Involved In Your Care. We may, without your written authorization, for the purposes of treatment, payment or Plan administrative operations, disclose the fact that you are covered under a Plan or that payment has been processed to a family member, other relative, your close personal friend or any other person you may identify. In these circumstances, we would not disclose any Protected Health Information which is not directly relevant to that person's involvement with your care or with payment for your care.

If you have designated a person to receive information regarding payment of the premium or pay premium via credit card, we may inform that person or credit card facility when your premium has not been paid or received by us.

We may also disclose limited Protected Health Information to a public or private entity that is authorized to assist in disaster relief efforts in order for that entity to locate a family member or other persons that may be involved in some aspect of caring for you.

Examples of these may include, but are not limited to our duly appointed insurance agents, financial auditors, reinsurers, legal services, enrollment and billing services, claim payment and medical management services. We may provide access to your Protected Health Information without your written authorization to one or more of these outside persons or organizations who assist us with payment or Plan administrative operations. If you are enrolled in a group health plan, we may share summary health information with your employer, union, or other employee organization that sponsors and maintains the group health plan, for purposes of obtaining premium bids; or modifying, amending, or terminating the group health plan; or enrollment and disenrollment information. Summary health information excludes genetic information.

For Other Products and Services. We may contact you without your written authorization to provide information regarding Plan upgrades or additional benefits that may be of interest to you. For example, we may use the fact that you currently are insured under a Plan for the purpose of communicating to you about changes to our Plan or products that could enhance or add value to existing coverage.

For Disclosure With Authorization. Unless otherwise excluded in this notice, we will not disclose any other Protected Health Information to any person or entity not specifically mentioned elsewhere in this Notice without your express written authorization.

NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS UNDER THE OHIO LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Residents of Ohio who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Ohio Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The Ohio Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Ohio. You should not rely on coverage by the Ohio Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus. You should check with your insurance company representative to determine if you are only covered in part or not covered at all.

Insurance companies or their agents are required by law to give or send you this notice. *However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.*

**Ohio Department of Insurance

Third Floor – Suite 300

The state law that provides for this safety-net coverage is called the Ohio Life and Health Insurance Guaranty Association Act. On the back of this page is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

(please turn to back of page)

COVERAGE

Generally, individuals will be protected by the Life and Health Insurance Guaranty Association if they live in Ohio and hold a life or health insurance contract, annuity contract, unallocated annuity contract, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are **not** protected by this Association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- their policy was issued by a medical, health or dental care corporation, an HMO, a fraternal benefit society, a mutual protective association or similar plan in which the policy holder is subject to future assessments, or by an insurance exchange.

The Association also does **not** provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy or reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate;
- dividends;
- credits given in connection with the administration of a policy by a group contract holder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them).

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the Association is obligated to pay out: The Association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the Association will pay a maximum of \$300,000 – no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. Within this overall \$300,000 limit, the Association will not pay more than \$100,000 in cash surrender values, \$100,000 in health insurance benefits, \$250,000 in present value of annuities, or \$300,000 in life insurance death benefits – again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages.

Note to benefit plan trustees or other holders of unallocated annuities (GICs, DACs, etc.) covered by the act: For unallocated annuities that fund governmental retirement plans under §§401, 403(b) or 457 of the Internal Revenue Code, the limit is \$250,000 in present value of annuity benefits including net cash surrender and net cash withdrawal per participating individual. In no event shall the association be liable to spend more than \$300,000 in the aggregate per individual. For covered unallocated annuities that fund other plans, a special limit of \$1,000,000 applies to each contractholder, regardless of the number of contracts held with the same company or number of persons covered. In all cases, of course, the contract limits also apply.
